8.1 Personal protection
Wear suitable gloves and eye protection.

8.2 Skin protection
Suitable hand protection is advised.

8.3 Eye protection
Safety glasses with side shields should be worn.

8.4 Hygiene measures
Avoid contact with skin, eyes and clothing. Ensure adequate ventilation, especially in confined areas. Exercise good industrial hygiene and safety practice. Wash after handling and especially before eating, drinking or smoking.

9. Physical and chemical properties

Form:
Putty, non-setting malleable solid

Colour:
Red

Odour:
Low

Other data:
Not applicable

Density:
Approx. 1.58/cm³

Water solubility:
Not miscible in water

10. Stability and reactivity

10.1 Stability
Stable under normal conditions of use.

11. Toxicological information

11.1 Human experience
Our experience shows that there is no serious acute/chronic effect from handling this product under industrial conditions.

12. Ecological information

12.1 Eco toxicological data
None available.

13. Disposal considerations

13.1 Product disposal
Dispose of in accordance with local regulations. Can be taken to an incinerator equipped with an exhaust gas cleaner.

13.1 Packaging disposal
Dispose of as unused product.

14. Transport information

14.1 Road/rail (ADR/RID)
Not classified.

14.2 Sea transport (IMDG)
Not classified.

14.3 Air transport (IATA)
Not classified.

- This product is not regarded as dangerous goods according to the national and international regulations on the transport of dangerous goods
- Protect from water
- Keep away from food, foodstuffs, acids and bases
- Keep away from odour sensitive materials
15. Regulatory information
